SECUNDERABAD-500 078**

Tender Notice No: EMRIGHS/HO/SCM/01/2022-23

Date: 28/02/2023

1. General brief about EMRI Green Health Services:

EMRI Green Health Services formally known as (GVK EMRI) was established as a not-for-profit Organization. GVK EMRI is a Society, registered under the provisions of Andhra Pradesh Societies Registration Act, 2001, in February 2005 and provide services free of cost through a toll free number '108' to every citizen of our country under Public Private Partnership (PPP) frame work. Vision of EMRI Green Health Services is to support and build capabilities to save one million lives per annum nationally and establish EMRI Green Health Services as a premier Research and Training Institute.

EMRI Green Health Services , under the Public-Private-Partnership, has made substantial progress over the last 14 years in providing Emergency Response Services across the country and presently operate over 14078 state-of-the-art ambulances in in 14 States and Union Territories viz- Andhra Pradesh, Telangana, Gujarat, Goa, Tamil Nadu, Karnataka, Assam, West Bengal, Chhattisgarh, Uttar Pradesh, Rajasthan, Kerala, Arunachal Pradesh, Delhi and Union Territory of Dadra & Nagar Haveli and Daman & Diu. is serving on an average 22,261 emergencies (80 million emergencies attended since inception) and saving over 949 lives every day and cumulatively have saved more than 44.19 lakh lives since the launch of the services and provide direct employment to over 56,000 associates while continuing to be a not-for-profit organization.

EMRI Green Health Services innovative approach has revolutionized the concept of Emergency Services in India. The organization to its credit has pioneered the first of its kind inventions in India such as providing a Single Toll-Free number (108) for initiating the emergency response and a comprehensive coverage of emergencies involving Medical, Police and Fire departments, In-ambulance Pre-hospital care to mitigate the effects of medical emergency of the victim under the guidance of a specially trained Emergency Physician, Research and Training etc. Today "108" is synonymous with the best-in-class emergency service and has been acknowledged as the most efficient, speedy, reliable and professional service provider in the category.

With increased focus on research and analytics and collaborations with internationally renowned institutions like Stanford School of Medicine, EMRI Green Health Services has plans to significantly enhance the overall emergency management scenario - further reducing individual suffering.

2. Objectives of Contract:

All the Ambulances operated by EMRI Green Health Services in different States of India, need to be replenished regularly on monthly basis with medical consumables. It has been decided to centralize the procurement process by nation-wide tendering process and finalizing the rates on RATE CONTRACT basis, which will not only result in obtaining competitive prices and bring uniformity but also simplify the procurement procedure.

3. Bids are invited from reputed Manufacturers/distributors/dealers/traders of medical consumables. The description of the items along with specifications is given in Annexure-1. All the interested vendors may go through the "terms and conditions" of the "TENDER" document uploaded in our Website (www.emri.in) and submit their bids accordingly.
4. The tender document may either be down-loaded from our Website or can be purchased in hard copy on payment of a Non-refundable Tender Fee of Rs.1000 (Rupees One Thousand only) by way of a Demand Draft drawn in favor of "EMRI Green Health Services, payable at Secunderabad" from the

office of EMRI Green Health Services Devar Yamzal, Secunderabad 500078 during working hours. Bidders who have download the document from website have to submit Demand draft for Rs.1000/- at the time of TENDER submission.

You can reach on pradeep_p@emri.in for virtual link.

All queries on the scope of work, terms and conditions and any other pertinent points will be clarified by the technical Committee of EMRI GHS to enable proper submission of bids. The queries shall be restricted to the scope of agreement and its terms. Discussions with co- vendors are strictly prohibited. All the queries shall be brought forth only during this pre-bid meeting since no queries will be entertained subsequently.

The minutes of the meeting will be recorded and become part of the Tender process. Subsequent amendments will be uploaded in the EMRI GHS website if any

1. EVALUATION

The Preliminary Bid Cover A and Cover B will be opened in the presence of the bidders/their authorized representatives. The documents mentioned at Sl.No.2 will be scrutinized during the preliminary evaluation.

2. ELIGIBILITY CRITERIA – Cover A

- (a) Tender Fee :By way of Demand Draft(DD)- Tender fee of Rs.1000/- Non refundable
- (b) **EMD AMOUNT:** Each Tender form should be accompanied by Demand Drafts from any nationalized bank / Commercial Bank drawn in favor of “EMRI Green Health Services”, payable at Secunderabad towards Earnest Money Deposit (EMD) **@ 1% of the quoted value** for the amount shown against each item. EMD in respect of unsuccessful bidders will be returned after completion of the process. EMD in respect of L-1 vendors will be returned after submission of PBG to the respective States for 3% of Annual value of anticipated quantity of the L1 items.
- (c) An average annual turnover of at least Rs.25 lakhs during the last three financial years.
- (d) Primary Manufacturers/distributors/dealers/traders can participate in the tender. Whoever participates in the tender will be solely responsible for the execution of the agreement entered into with EMRI GHS.
- (e) A person signing the Tender Form or any document, forming part of the contract on behalf of the supplier, shall be an authorized signatory of the bidding firm and shall produce documentary evidence to that effect on demand as per Annexure - 6
- (f) Bidder should not have been convicted for any criminal or economic offences by any court of Law in India or abroad or blacklisted by State/central government departments/organization or any of EMRI GHS States as per Annexure - 7
- (g) Any attempt by a tenderer to obtain confidential information, enter into unlawful agreements with competitors or influence the committee or the Contracting Authority during the process of examining, clarifying, evaluating and comparing tenders shall make the tender submitted by that tenderer liable for rejection.
- (h) The Bidder shall also certify in writing to the effect that they have read and understood all the Terms and Conditions stipulated in the Tender and are willing to abide by the same. Tenders submitted without this signed declaration will be treated as incomplete and will not be considered as per Annexure - 8
- (i) The prices quoted in tender and quantities offered for supply shall remain valid for the full tenure of 12 months of the contract period and may extend for another six months by mutual understanding.
- (j) Vendors are requested to furnish Purchase Order for last three years' copies.

Technical Evaluation: Cover B

- 1. Compliance of physical samples with specification certified by the Technical team of EMRI GHS is mandatory for qualifying in the technical evaluation.
- 2. EMRI GHS may at its sole discretion add/delete/revise any of features at any stage of tender evaluation due to internal reasons

3. All vendors who meet the preliminary criterion and submit technical bids conforming to the technical evaluation criterion will be shortlisted for commercial evaluation.
4. The successful vendors shall be required to submit state wise samples to SCM, Head Office. All approved samples to be show cased at state stores / SCM offices will be cross validated by state quality / SCM team against every supply from successful bidder. Any deficiencies / differences found between the approved sample and supply made, will be viewed seriously. For any action initiated, Vendor will be solely responsible and answerable.
5. EMRI GHS shall consider the information furnished by vendor on technical requirements as sufficient and qualify the vendor for price bid opening. If, at any stage of pre-supply and post supply period, if it is found that any information furnished by the vendor is either false or hidden or fabricated, such vendor may be blacklisted by EMRI GHS and prohibited from participating in any of future tenders. EMRI GHS may at its sole discretion will use services of a third party to verify the authenticity of the data furnished by vendors

3. PRICE BID: Cover C

The Price bids of those suppliers who do not qualify in Technical Evaluation would be rejected. However, the decision of the Tender Committee would be final on the matter of consideration. The Price-bids will be opened in the presence of Bidders / representatives and Tender Committee Members. If more than one bidder qualifies as Lowest Bidder (L1) by quoting same rates, the decision of the Tender Committee is final to distribute the scheduled quantity among the L1 vendors.

The requirement incorporated in the tender enquiry document will be ordered from Lowest Responsive Bidder (L1). If L1 refuses to supply or not capable of supplying in the opinion of the Purchaser, the purchaser has the right to split the order quantity among the other bidders in the order of lowest to highest bidder and negotiate for acceptance of L-1 rates.

Commercial Bids of the vendors, who qualify in the Technical Bid Evaluation, will be opened in the presence of Vendors / representatives. L-2 and other qualified vendors will be contacted for Pilot testing only if L-1 vendors fail in the Pilot testing/delivery schedules/any other tender terms and conditions

If L1 bidder items value found to be more than prevailing market value of the similar quality as of L1 Bidder, than the L1 entitle to Claim and EMRI GHS Service States reserve right to make payment as per market rate of respective item

4. Submission of Tenders:

The Bids should be in three parts viz. (a) Preliminary Bid – Cover A (b) Technical Evaluation – Cover B and (c) Commercial Bid - Cover – C . All these covers shall be further placed together in a sealed cover super-scripted “Tender for Supply of Medical consumables for Ambulance” clearly mentioning Tender number and date and dropped in the box kept for this purpose at the Reception Hall of EMRI Green Health Services Office Secunderabad.

B. Super scribed Sealed Cover B - Containing Annexure wise Price Bid as per format in Annexure-12.

- Catalogue of the items quoted.
- Samples to be submitted along with the tender.
- Proper list of items being quoted and sample provided.

C. Super scribed Sealed Cover C -

1. Annexure – 16 (Medical consumables for all States)

The price-bid shall consist of price for each item along with applicable rates of taxes for different States as shown in Annexure-16.

The Bidders have to quote rates along with the sr No as mentioned in Annexures

All other charges viz. packing & forwarding, freight and discounts shall be inclusive. Price will remain firm and fixed during the tenure of Contract irrespective of the quantity ordered.

5. PERFORMANCE BANK GUARANTEE:

Successful bidders shall submit State-wise PBG (**Annexure-17**) for 3% of the tentative annual value of the order towards performance Bank Guarantee. In case of lack of performance or deficiency in performance, EMRI GHS reserves right to forfeit Bank Guarantee and entitle to Claim amount from the Banker.

6. Price:

- a) All costs and tax components should be shown separately in the TENDER
- b) The price quoted shall remain "FIRM" for the entire validity period and without any escalation whatsoever.
- c) EMRI GHS may at its sole discretion, may negotiate with vendor to further reduce the prices, in case it is felt that prices are more than prevalent market prices or any other reason in the interest of respective State Governments.

7. SUPPLIERS RESPONSIBILITIES:

- (a) The Supplier shall not sublet, subcontract, transfer or assign the contract. The Supplier shall be entirely responsible for the performance of the contract in all respects in accordance with the terms and conditions as specified in the Contract.
- (b) Under any circumstances, the supplier shall not supply goods, in which recycled materials/ used-disposables are used. If any such instances are found, the PO shall be cancelled and EMRI GHS is entitle to claim damages and consequential damages arising thereof. .
- (c) The supplier is responsible for the delivery of the goods at the final destination in satisfactory and properly packed condition without any loss or damage. For this purpose, goods carried by the roadway or other carrier shall be deemed to be carried at the risk of the supplier. If on inspection at final destination the Purchaser discovers any discrepancy, the Purchaser will be entitled (not-with-standing that the property of goods shall have passed on to the company) to refuse acceptance of the goods altogether and claim damages and/or cancel the contract and

buy its requirement in the open market at the risk and cost of the supplier, reserving always to itself, the right of forfeiture of any amount found due and payable or the deposit, if any, placed by the supplier for the due fulfillment of the contract as also to recover any amount, if already paid.

- (d) L1 bidders to ensure submission of item wise accepted sample duly packed state wise at the SCM Head Office (Secunderabad) along with LOI acceptance.
- (e) L1 bidder to ensure adhering the same price structure for any new business during the contract period.
- (f) The suppliers should supply the medicines with long time expiry date.
- (g) The Medicines which are to expire in three month's time should be replace with latest manufacture.

8. INSPECTION:

- (a) The products fulfilling technical specifications will be only considered for acceptance. The conformance to the Specifications for every unit supplied shall be established by the supplier.
- (b) Supplier shall maintain the highest standard of quality in the Product production process. Supplier shall follow and abide by all directions, requests, suggestions or instructions of EMRI GHS regarding the quality standards required by EMRI GHS in connection with the manner of production, manufacture, Packaging, storage and delivery of the Product.
- (c) *Removal of Rejected supplies* - Any supplies inspected and rejected at Purchaser's premises must be removed by the Supplier within 7 days from date of receipt of intimation of rejection of supplies. If the rejected goods have already been paid for (partly or fully), the supplier shall, before removal of rejected goods, either deliver correct replacement goods at Purchaser's premises completely free of cost (including cost of goods, freight, taxes, duties etc) or refund the payment received as well as make full compensation for freight taxes , duties etc. Such rejected items shall lie at supplier's risk from the time of such rejections and if not removed within the above time limit, the Purchaser shall have the right to dispose off the said rejected materials as he may deem fit without any financial obligation to the supplier.

9. LIQUIDATED DAMAGES FOR DELAY IN DELIVERY

Failure to deliver the items or any consignment thereof, within the period prescribed for such delivery, will entail the Purchaser to levy LD and recover the amount at his/ her option, as given below with a maximum ceiling of 10% of the order value.

Up to 7 Days from Delivery Due Date	0.25% Per Unit Per Day
From 8th day to 15 th Day	0.50% Per Unit Per Day
From 16th day to 22nd Day	0.75% Per Unit Per Day
From 23rd day to 30th Day	1.00% Per Unit Per Day
Above 30 Days	5.00% Per Unit Per Day

In case the Supplier fails to deliver the items either in full or in part, within the prescribed delivery period specified in the Purchase Order by the respective States, the Purchaser reserves the right to take alternate procurement action, at the risk and cost of the supplier for the unsupplied portion of the goods / items without canceling the contract in respect of the items not yet due for delivery, or to cancel the contract based on progress of work, including items not due for delivery, and, if

thought fit/necessary, to purchase the items at the risk and cost of the Supplier. The price differential in case of higher cost to Purchaser, if any, shall have to be borne by the defaulting supplier. Moreover, the defaulting supplier shall have no claim over the quantity, which they failed to supply.

10. PAYMENT TERMS:

Payment will be made within 30 days from the date of receipt of Original Bill from the Vendor and shall follow by receipt, inspection and acceptance of goods. The bidder should submit the bills/invoices with copies of delivery challans duly acknowledged by the Purchaser and also purchase order copy. Three copies of each document should be made and one copy handed over to the authority at delivery site.

Tenderers must clearly mention their GST Registration Number, Excise Control Code Number, (ECC) & TIN/ SRIN etc in their invoices. In case if there is a decrease in the Statutory Taxes/Duties/ Levies, the same has to be passed to the Purchaser.

11. Liability of EMRI GHS

It is expressly understood and agreed by, between the SUPPLIER and the EMRI GHS that the EMRI GHS is entering into this Agreement solely on behalf of respective State Government. In particular, it is expressly understood and agreed that the though respective State Governments / Government of India are not a party to this Agreement and have no liabilities, obligations or rights hereunder, any delay in the release of vendor payments, for the supplies made under this TENDER, solely depend on timely receipt of funds for the same from the respective state governments. The SUPPLIER expressly agrees, acknowledges and understands that the EMRI GHS is not responsible for any delays in the release of funds from respective state governments for what so ever reason it may be and shall not hold EMRI GHS responsible for delayed payments and EMRI GHS shall not be liable for any acts, omissions, commissions, breaches or other wrongs arising out of the contract. Accordingly, the SUPPLIER hereby, expressly waives, releases and foregoes any and all actions or claims, including cross claims, impleader claims or counter claims against the GVKEMRI arising out of this Agreement and not to sue EMRI GHS for any reason, as to any manner, claim, cause of action or thing whatsoever arising of or under this Agreement

12. WARRANTY AND OBLIGATIONS:

Supplier irrevocably offers warranty of the product against contamination of material. Supplier represents and warrants that it will use its best efforts to produce and distribute the Product in accordance with the terms and conditions of this Agreement. Supplier shall be solely responsible for the production and distribution of the Product and will bear all related costs associated therewith, except as otherwise provided in this Agreement. Replacing the defective items should be done as stipulated in Para-8(c) above. The warranty particulars have to be mentioned in the bid against each item by the supplier wherever applicable.

13. PRODUCT WITHDRAWAL:

If it is deemed necessary at any time by either EMRI GHS or Supplier or any local, state, or Central governmental agency or other authority to recall or withdraw the Product produced by Supplier and being supplied to EMRI GHS, either as a result of failure of the Product or Supplier

to strictly comply with EMRI GHS's quality standards or any governmental health rule or regulation, or shall fail to comply with any other governmental authority or agency having jurisdiction, supplier shall bear all costs and expenses incurred by it and/or in complying with the recall or withdrawal procedures..

If Supplier fails or refuses to promptly comply with the recall or withdrawal of the product upon request by the EMRI GHS or any federal, state or local authority, EMRI GHS shall take such action as it deems necessary to recall or withdraw the product from field (Ambulances in the field) and

Supplier shall immediately reimburse for the costs and expenses incurred. If the product supplied is not as per the specification on analysis of the samples by appropriate approved labs/authority then the rejected and available quantities have to be lifted back by the supplier. All cost and consequences of such rejected quantities shall be borne by the supplier.

14. PRODUCT ALLOCATION AND STOCKING:

In the event there is an emergency shortage of the product, as announced by Supplier or its designated representative, Supplier shall stand ready to stock adequate quantities of the Product so that scheduled supplies to EMRI GHS should not suffer during the full tenure of the contract period. In an event of Supplier failing to supply the material in ordered quantities and as per time schedules, EMRI GHS, reserves the right to procure the product of same or superior quality at same or higher price from an alternate supply source and any difference in cost of procurement shall be debited to Supplier.

15. TRADE MARKS:

Supplier shall not, without prior written consent of EMRI GHS use the trademarks or service marks or sales marks of EMRI GHS in any manner whatsoever, unless, and then only to the extent, such use is authorized by EMRI GHS in writing and then only in accordance with EMRI GHS directions or specifications.

16. INDEMNITY:

The Supplier shall at all times indemnify the Purchaser against all claims which may be made in respect of the items, for infringement of any right protected by Patent, Registration of design or Trade Mark and shall take all risk of accidents or damage which may occur or failure of the supply arising. The Supplier shall be entirely responsible for the sufficiency of all the means used by them for the fulfillment of the contract.

Supplier shall agree to indemnify, defend and hold EMRI GHS and its officers, directors, employees, agents, its parent, partially or wholly owned subsidiaries, franchisees, successors and assigns harmless from and against any and all liability, losses, damages, claims, liens, expenses or causes of action including, but not limited to reasonable legal fees and expenses that may be incurred by EMRI GHS, arising directly or indirectly out of, or in connection with, Supplier's violation or breach of any of the terms of this Agreement or any act or omission to act by Supplier in violation of the Agreement. EMRI GHS shall provide Supplier with prompt written notice of any claim for which indemnification is sought and shall have the right to participate in the defense of any such claim.

17. COMPLIANCE OF THE LAWS OF THE LAND

Supplier shall comply with all state and local laws and regulations regarding the Product manufacture and production, shall obtain all necessary licensing for the operation of its business and the production and manufacture of the Product, and shall further comply with all quality control standards promulgated by EMRI GHS from time to time.

18. INTELLECTUAL PROPERTY, PROPRIETARY KNOWLEDGE & CONFIDENTIAL INFORMATION (Excluding the information in the Public Domain)

- a. Supplier acknowledges that in connection with this Agreement, EMRI GHS may disclose to Supplier, or Supplier may otherwise obtain or develop knowledge of certain confidential and proprietary information of EMRI GHS, including, but not limited to, trade secrets, intellectual property, future business plans and services, financial, sales, Supplier, customer, employee, investor, or other business information related to the business and activities of EMRI GHS.

- b. All such information is hereby designated by EMRI GHS to be Confidential and Proprietary Information. Supplier acknowledges and agrees that Confidential and Proprietary Information shall not be disclosed by Supplier or any of Supplier's employees, representatives, agents or contractor's without the express written permission of EMRI GHS. Notwithstanding the foregoing, Supplier, during the term of this Agreement, and in order to carry out its obligations under this Agreement may disclose Confidential and Proprietary Information to its EMPLOYEES solely for the purpose of performing its obligations under this Agreement, and only on a "need to know" basis. Supplier agrees that all of its employees receiving any Confidential and Proprietary Information shall enter into a separate written confidentiality agreement with Supplier that ensures the employee will comply with the confidentiality provisions of this Agreement. A copy of each such confidentiality agreement shall be provided to EMRI GHS.
- c. All Confidential and Proprietary Information shall remain confidential until EMRI GHS designates it as non-confidential or until the information becomes public through no fault of the Supplier.
- d. Supplier shall not be liable for the disclosure of Confidential and Proprietary Information if made in response to a valid order of a court or authorized agency of government; provided that fifteen (15) days notice first be given to the EMRI GHS so a protective order, if appropriate, may be sought by EMRI GHS.
- e. Supplier agrees that in the event Supplier or any of its employees, contractors, representatives, or agents breach the provisions of this Article, such breach or threatened breach would cause irreparable harm to GVK EMRI, and in such instance, GVK EMRI shall be entitled to injunctive and other equitable relief to prevent such breach or to remedy any actual breach.

19. TERMINATION:

The Tender Committee of EMRI GHS, reserves the right to terminate this Agreement by giving a written notice to Supplier in the event that Supplier does any of the following:

- a. Fails to continuously supply the Product for four consecutive weeks from the delivery date.
- b. Breaches any provision of this Agreement and fails to cure such breach within seven(7) days after it receives a written notice of breach from EMRI GHS.
- c. Supplier shall not have the right to terminate this Agreement within the first 6 months. During the next 6 months, the Supplier shall not have the right to terminate this Agreement without Sixty (60) days prior written notice to EMRI GHS.
- d. Upon receipt of the notice of termination from the Purchaser, the Supplier shall either immediately or upon the date specified in the notice of termination, cease all further supply except for such as the Purchaser may specify in the notice of termination. In the event of termination of the Contract the Purchaser shall only pay to the Supplier, the Price for the parts executed by the Supplier as of the date of termination.

20. GOVERNING LAW, DISPUTE RESOLUTION & INFRINGEMENTS

This Agreement shall be governed by and construed in accordance with the laws of the India; without regard to conflict of law principles, and under jurisdiction of Chennai and language shall be English. Supplier agrees to fully cooperate with EMRI GHS, in the prosecution of any such suit against a third party and shall execute all papers, testify on all matters, and otherwise cooperate in every way necessary and desirable for the prosecution of any such lawsuit. .

21. NOTICE:

Any notice required to be given pursuant to this Agreement shall be in writing and delivered personally or by a nationally recognized overnight courier service, or mailed by certified or

registered mail, return receipt requested, to the other party at its address as set forth at the top of this Agreement. All such notices shall be effective upon delivery or upon refusal to accept delivery. Either party may change the address to which notice is to be sent by written notice to the other in accordance with the provisions of this paragraph.

22. MISCELLANEOUS:

The parties to this Agreement are independent contractors. Nothing contained herein shall constitute this arrangement to be employment, a joint venture, a partnership, a franchise or an agency between the parties. Neither party has the authority to bind the other or to incur any obligation on its behalf. If any term, clause or provision hereof is held invalid or unenforceable by a court of competent jurisdiction, such invalidity or unenforceability shall not affect the validity or operation of any other term, clause or provision, and such invalid or unenforceable term, clause or provision shall be deemed to be severed from the Agreement. This Agreement constitutes the entire understanding of the parties, and revokes and supersedes all prior agreements between the parties, and is intended as a final expression of their agreement. It shall not be modified or amended except in writing signed by the parties hereto and specifically referring to this Agreement. Bidders or employees of bidder cannot claim or be construed as employees of EMRI GHS.

23. FORCE MAJEURE

If at any time during the validity of the Contract, the performance in whole or in part by either party of any obligation under this Contract shall be prevented or delayed by reasons of War, Hostility, Acts of Public Enemy, Civil Commotion(s), Sabotage, Fire(s), Flood(s), Explosion(s), Epidemic, Quarantine Restrictions, Acts of State or Acts of God, hereinafter referred to as eventualities, then the Contract period will get extended for the period of Force Majeure, provided Notice of the happenings of any such eventualities is given, supported by a certificate of appropriate authority or Chamber of Commerce by either party to the other within 15 days from the date of occurrence thereof. Neither party shall by reason of such eventualities be entitled to terminate this contract nor shall either party have any claim for damages against the other in respect of such nonperformance or delay in performance. Work under this contract shall resume as soon as practicable after such eventualities have come to an end or ceased to exist. Should one or both parties be prevented from fulfilling their contractual obligations by state of Force Majeure lasting continuously for a period of at least three months, the parties shall consult each other regarding further continuation of the Contract.

24. FALL CLAUSE:

The prices quoted for the material supplied under this tender by the Supplier shall in no event exceed the lowest price at which the Supplier sells or offers to sell similar material in similar volume of identical description to any person(s)/organization(s) including the Purchaser or any other EMRI GHS. office located at any other place in India. If at any time during the said period, the supplier reduces the sale price, sells or offers to sell such stores to any person(s)/organization(s) including the Purchaser or any Statutory Undertaking of the Central or a State Government, as the case may be, at a price lower than the price chargeable under this contract, he shall forthwith notify such reduction or sale or offer to sale to the Purchaser and the price payable under the contract for the material supplied after the date of coming into force of such reduction or sale or offer of sale stand correspondingly reduced.

I/We convey unconditional acceptance to all the terms and conditions specified herein.

ANNEXURE-1
Pre-Qualification Check List

Sr. No.	Document	Submitted (Yes/No/NA)
1	Tender Fee	Yes/No/NA
2	EMD	Yes/No/NA
3	Manufacturing license: Industrial license / I.S.I. Certificate / Factory Inspectors license / Product permission (if applicable)/ Registration certificate with C.S.P.O./ S.S.I./ K.V.I.C./ N.S.I.C./ D.G.S.and D / MSME Part-II acknowledgment /SIS registration and Central Excise Registration /Udyog Aadhar acknowledgment of the Bidder or Principal manufacturer (whichever is applicable).	Yes/No/NA
4	Copy of the Partnership deed (if manufacturer) / Memorandum of Articles /Registration of firm (whichever is applicable).	Yes/No/NA
5	GST registration copy	Yes/No
6	Permanent Account number (PAN) copy	Yes/No
7	Entire Tender Document with annexure duly signed and stamped	Yes/No
8	CA Certified Turn Over Details must be enclosed for the past 3 years as compliance to average turnover as mentioned in the Annexure 4	Yes/No
9	Empanelment form giving all financial / market / statutory details about firm / company (Annexure XXXX).	Yes/No
10	Authority letter/Dealer or distributor agreement/agency certificate from Original Manufacturer/distributors. (Annexure - 6)	Yes/No
11	Document as asked in eligibility criteria	Yes/No/NA
12	Literature or Catalogue of the quoted product/item (if applicable)	Yes/No/NA
13	Declaration (Annexure -8)	Yes/No
14		

ANNEXURE-2

**(FORMAT OF AUTHORIZATION LETTER FOR AUTHORIZED DISTRIBUTOR or Dealer or wholesaler or Stockiest issued by original manufacturer/distributors)
(IN ORIGINAL/Self attested)**

1. I / We _____ hereby declare that M/s. _____ is our authorized distributor or Dealer for our products in India/state/region/area from date _____ and they are authorized to quote and follow up on our behalf and the said agreement is valid in force as on date;
2. I/We undertake to supply the drugs / items for which the quotations of following items are submitted by M/s. _____ on our behalf in respect of Tender Enquiry No. _____

Sr. No	Item No.	Name of Item
1		
2		
3		

3. I / We have read all the terms and conditions of the tender enquiry and the same are irrevocably binding upon us till the expiry of the contract signed & executed on our behalf;
4. I/We shall notify the EMRI Green Health Services, Secunderabad immediately if there is any change in the agreement between M/s. _____ and me/us regarding authorized distributorship of our products and further undertake to supply the items quoted by the distributor on my / our behalf at the quoted in the tender enquiry in case of such a change of agreement.
5. This authority is applicable only for Tender Enquiry No. _____

Date:-

Signature of Authorized Signatory

ANNEXURE-10

Specifications

Disposable Delivery Kit

1. Disposable cap 2 no's
2. Disposable Mask 2 no's
3. Disposable gown 2 no's (non plastic)
4. Disposable shoe cover 2 pairs
5. Drape for the couch, Size 60 x 31"
6. Perineal sheet – 1, Size 60 x 33"
7. Mops 2, Size 12 x 12"
8. Umbilical cord clamps 2 in number – to be sterilized
9. A plastic scalpel with blade or disposable stainless steel scissor for cutting umbilical cord – to be sterilized
10. A wrap for the baby (Baby receiving sheet) 1, Size 24 x 16"
11. Small wiper 1, Size 15 x 14"
12. Big wipers 2, Size 21 x 16"
13. Feeding tube 1
14. Dee lee mucous aspirator 1
15. All wrapped in a bag after sterilization – All not to be Sterilized, only specific items
16. Should take the used kits which are nearing expiry back for sterilization and replace them
All items should be of minimum 2 years of expiry

Disposable Face Mask 3 ply

1. Fluid Resistant
2. 3 Ply
3. Lint free
4. Pleated glass free, high efficiency bacterial filter
5. Comfortable ear loops & flexible bridge to fit over nose
6. Hypo allergic
7. 17.5 Cm x 9.5 Cm – Nose clip to added , pack of 50 Nos

Dressing Pads

1. 8 ply 100% pure gauze pads
2. Sterile in package ready to use
3. Non-adherent
4. 10X10 cm
5. 10X20 cm

Elastic adhesive bandage 10cm (Dyna Plaster)

1. Good quality 100% cotton cloth
2. Zinc based adhesive which is porous allowing skin to breath
3. A line in the center
4. 10cm *2.75 mt

Cervical Collar Hard

Adjustable size

- a. Polypropylene hard sheet lined by polyethylene foam inside.
 - b. Single piece
 - c. 4 or more adjustable sizes in the same collar
 - d. Velcro strap for fixing
 - e. Tracheal and back panel openings enough for neck exam and ongoing back of the neck exam
- F. Radiolucent, MRI, CT compatible

Motion sickness bags

- 1. Leak resistant polyethylene lined bags (70 GSM)
- 2. Sturdy box bottom and handy tin ties
- 3. Convenient portable and disposable

Figure 1: Motion sickness bags

Nasal Cannula Adult and Child

- 1. Soft, Light weight Non-toxic PVC
- 2. Set of 2 prongs
- 3. Tube Length: 200 Cm
- 4. Latex Free
- 5. Kink Resistant PVC Tubing
- 6. Adult and pediatric sizes **should be of separate packing**

Nasopharyngeal Airway 0-4

- 1. Made of medical non-toxic PVC material
- 2. Atraumatic soft and transparent
- 3. Soft bevel at one end and flange at the other end
- 4. Packed in individual covers after sterilization

Figure 2: Nasopharyngeal airway

Nebulizer Mask (adult and child)

- Compatible with any standard Nebulizer
- Made of soft clear non-toxic, non-irritant; latex-free material
- Anatomically contoured for comfort
- Consists of Mask with pull through elastic strap to hold it in place
- Leak/spillage proof nebulization chamber
- Should withstand gas flow of 8 ltr/min
- Particles sizes should be below 5 microns
- Both adult and child sizes

Non rebreather mask- Adult and Child & Pediatric also required for UP

1. latex free odorless transparent mask and tubing
2. Adjustable elastic band
3. Mask designed to fit the face contours
4. Mask adult and pediatric sizes
5. A low resistance check valve on either side of the mask to prevent the re-breathing through the mask and allow exhaled gases to escape
6. A valve and a reservoir for oxygen
7. 1.5 Lt Reservoir bag for adults and 0.75 Lt reservoir for kids
8. Tubing: 7 ft length
9. Non kinking connecting tube

Oropharyngeal Air Way 00 to 4

1. Made of polyethylene/polyvinyl chloride /ethylene vinyl acetate/siliconised
2. Distal curved end with soft rounded edges
3. Proximal reinforced straight end
4. Flange located at the proximal end to be marked with the size as well as color coded.
5. Required sizes 00, 1,2,3,4 – **Size 4 not required in UP**

Figure 3: Oropharyngeal airways

Oxygen mask adult and pediatric

1. Non-toxic & non-irritant material
2. Shall have elastic strap to hold mask in place
3. Mask anatomically contoured for comfort
4. Swivel Connector for convenient attachment of oxygen tubing
5. Tube should not kink;
6. Tube should be highly flexible to ensure continuous flow of oxygen.

7. Adult and pediatric sizes
8. **Sterile pack is required**

Pediatric I.V sets

1. Non vented
2. ABS pipe **Medical Grade** with cover
3. 60 Drops / ml
4. Kink proof tubing
5. Strong and sharp spike
6. Collapsible drip chamber
7. Self-sealing latex tube for extra medication
8. Luer lock at one end

±150cm long (giving the set an overall length of 160-170cm)

ID: 3mm

OD: 4mm

9. Simple Malleable splints (Padded aluminum splints)

1. Supplied as four different sizes
2. Short arm
3. long arm
4. short leg
5. long leg
6. Radiolucent; MRI compatible
7. Medical grade non absorbent closed cell foam padding on one side and high quality open cell foam padding on the other side.

Tongue Depressor (Disposable spatulas)

1. Disposable wooden spatulas
2. 6 inches long
3. Supplied in boxes of 100 pieces each

Figure 4: Disposable wooden spatulas

Disposable Gloves - 6.5-7-7.5

1. Latex Examination Powdered Gloves - Ambidextrous
2. Soft comfortable with high level of sensitivity feel
3. Textured surface with better grip
4. Dusted with USP grade cornstarch
5. Low protein
6. Easy donning
7. Higher tensile strength and elongation pull avoid easy tearing
8. **Medium Size – 50 Pair in a box**

Intracath Cannula Safety Cannula 16,18, 20,22,24

1. Made of non-toxic & non-irritant FEP or Polyurethane material; Pyrogen free, latex free and PVC Free
2. Should be sterile ready for use;
3. Packaging should allow adequate protection of the contents during normal handling, transit and storage
4. Transparent
5. Sharp Back cut bevel for minimal puncture trauma
6. The design should ensure that the needle once withdrawn from canula cannot be reinserted till the canula tip again
7. The design should ensure captured residual blood safely remains within the device minimizing unanticipated blood spillage.
8. Conventional Disposable Liquid tight blood stopper with Injection Port; Integrated Port allowing injections without an extra needle or risk of needle stick injuries

Soft Suction Catheter Size : 6, 8, 10, 12 & 16

1. Soft medical quality PVC tubing
2. A traumatic rounded catheter tip
3. Small lateral openings at the distal end to avoid adhesion to mucous membranes
4. Color coded
5. Cone fitting that snugly fits suction tubes **-Sterile pack is required**

Figure 5:Soft suction catheter

Endotracheal tube sizes up to 3.5 (non-cuffed) Not used in Uttarpradesh

1. Made of thermo-sensitive material that softens at body temperature and adapts the contours
2. Kink resistant tubes
3. Smoothened edges
4. Opaque line on the tube which is radio-opaque
5. Has 15/22 connector at the end
6. Non-cuffed tubes

Nasal Cannula Adult and Child

1. Soft, Light weight Non-toxic PVC
2. Set of 2 prongs
3. Tube Length : 200 Cm
4. Latex Free
5. Kink Resistant PVC Tubing
6. Adult and pediatric sizes
7. Separate and sterile pack is required

3 Way connectors for IV

1. Single use sterile nonpyrogenic
2. 360° rotation of the tap
3. One male luer lock connector
4. 2 female connectors
5. Arrow to indicate the direction of flow

Disposable Syringes

1. High clarity plunger and barrel
2. Barrel & Plunger shall be made of non-toxic , medical grade polypropylene
3. Gasket shall be inert & compatible with any medication
4. In Ribbon-packed form of packing
5. Desirable to scale up to an additional 0.5ml
6. Transparent Hub to clearly visualize the refluent blood without withdrawing
7. Graduation of scale, shall be prominent
8. Gasket shall provide minimum friction during movement ; Shall prevent leakage & back flow
9. Sharp Triple facetted beveled tip needle
10. 20 and 50 cc syringes compatible with syringe pumps
11. 2,5,10,20,50 cc syringes

IV Extension tubes

1. Made of nonirritant, non pyrogenic material
2. Transparent
3. Has a three way adapter with two female luer connectors at one end and male connector with luer lock at the other end
4. Sterile packing
5. About 10 cm length

Figure 6: IV extension tubing

Laryngeal mask airways size 0,1,1.5, 2, 3 and above

1. Latex free tubing
2. High volume low pressure cuffs for minimal injuries
3. Color coding of pilot balloons desirable
4. Size and volume of air required to fill the cuff to be imprinted on the tube
5. Non kinkable tubing

Oxygen extension tubes

1. Non-kinkable odorless, latex free tubing for oxygen flow

Figure 7: Oxygen extension tube

Gluco Lancets

1. Tribevel tip
2. Universal design
3. 28G needle
4. Supplied along with the Glucostrips

Technical Specifications of Glucose Strip

1. Assay Method: Electro-chemical
2. Enzyme: Glucose Dehydrogenase desirable.
3. Sample: Fresh Capillary Blood
4. Operating temperature: 10-45 degree Celsius

5. Validity: At least 180 days from the vial being opened

6. Dispensing: Individually packed strips
