Bids being sent through courier by outstation bidders should instruct the respective courier company to drop the sealed Tender document in the designated box kept at the reception.
8. The Bid should be properly page numbered, signed on each and every page and should be complete in all aspects.
9. Bid documents that do not provide complete information and / or that are submitted after the above specified time shall be rejected.
10. Bidder should sign the “Declaration certificate” (ANNEXURE-5) provided in the tender form accepting that they have read and understood, all the Terms and Conditions stipulated for in the Tender, and are willing to abide by these tender terms and conditions”, before submitting the tender document. Tenders submitted without the Signed declaration certificate will be considered incomplete and will not be considered.
11. **VALIDITY OF TENDER:** The prices quoted are offered in tenders shall remain valid for a period of twelve months from the date of declaration of bid rewardee.
- 2 **EMD AMOUNT:** Bidder should submit 2.5% of total amount on the quoted value in the tender document price bid. Each tender form should be accompanied by EMD amount, as applicable in the form of Demand Draft in favor of “ **EMR Green Health Services**”. EMD will be adjusted against PBG for L1. For L2, EMD would be returned after due acknowledgement (from L1) of the confirmation of PO and delivery schedules. For L3 onwards, the EMD will be sent back, in a stipulated time of 30 working days. e.g. total items quoted (inclusive of GST) is Rs. 5,00,000/- then 2.5% EMD applicable on total amount is Rs. 12,500/-
12. **Performance Bank Guarantee:** Selected L1 bidder has to furnish a PBG for 3% of value of order as per EMRI GREEN HEALTH SERVICES standard PBG format within 15 working days of tender closing date. The PBG shall be valid for one year. Failure of selected bidder to furnish PBG with in stipulated time will automatically result in forfeiture of EMD without any further notice.

13. Tender fee , EMD & PBG will be in the favor of “ EMR Green Health Services “ in DD format .
14. PRICE
- All Quotes shall be in Indian Rupees
 - All freight costs & Transit insurance are to be borne by the bidder.
 - In case of imports, all duties and any other costs (foreseen or unforeseen) would have to be borne by the bidder and to be clearly indicated in the quote.
 - All prices should be quoted as per ANNEXURE-4; else all such bids are liable to be rejected at the sole discretion of EMRI GREEN HEALTH SERVICES
 - Price bid comparison will be made on the basis of basic prices , however all bidders should declare quotation as per Annexure 4 (Basic + GST = Net amount)
 - If more than one bidder has quoted exactly the same price in their bids, and if it has become the Lowest Bid (L1), the decision of the Purchaser is final to allocate the schedule quantity between the L1 bidders or based on Quality the decision of Purchaser is final to allocate the schedule quantity to finalized bidder
 - If there is only one bidder for a particular ANNEXURE-4, the price will not be disclosed. The committee will go ahead with shopping model. The market price will be compared with the single bidder price and if the committee is satisfied, the purchase order will be released.
 - If there is no bidder for a particular , the committee will go ahead with shopping model, where three quotations will be obtained and price negotiated with the lowest quoted bidder and purchase order will be released.
15. TECHNICAL EVALUATION
- Technical evaluation of the items tendered will be done by a Technical Committee constituted by the EMRI GREEN HEALTH SERVICES
 - Tenders submitted with technical specifications confirming with those mentioned in this tender form will only be considered.
 - The Price bids of bidders who are successful in Technical Evaluation only would be considered and bids of others will not be opened.
 - Nothing in ANY OF THE CLAUSES OF THIS CONTRACT shall in anyway release the Bidder from any warranty or other obligations under this contract.
16. PLACE OF INSPECTION – All the evaluation and inspection will be done at the venue of tender opening i.e. 1ST Floor , Old library block , Goa medical college , Bambolim ,Goa - 403201 or at any other place that would be informed in advance to the bidders.
17. SAMPLES FOR INSPECTION (If applicable) - OEM / Trading Partner/Bidder shall arrange for a sample, on request at the time of technical evaluation. Hence, the bidders are advised to be prepared on the day of tender opening (Refer technical bid opening schedule dates). Inability to display a sample for technical evaluation may result in disqualification of bidder.
18. Commercial Evaluation
- Bids of the bidders who qualify the Technical Bids will be opened in the presence of Purchase committee member along with Bidders / representatives.
19. QUANTITY ALLOCATION TO SUCCESSFUL BIDDERS - Each Delivery Schedule of Requirement incorporated in the tender enquiry document will be ordered from Lowest Responsive Bidder(L1). However, it is purchaser’s decision to assess the capacity of the L1 bidder to support the requirement. In case, if the purchase feels that the entire quantity cannot be allocated to L1, it may happen that, the rest of the business will be dealt with L2 and so forth in the order of Price Bids. (if applicable)
20. SCHEDULE OF REQUIREMENTS:
- The firm requirement quantity is for 1 ECC (Emergency care center) and however required qty will be extended in bid validity period based on the future requirement.

- b. Purchase orders would be released for the firm requirements immediately after finalization of tender and declaration of L-1 bidder.

21. AUTHORIZATION FOR SIGNING DOCUMENTS

- a. The person who is signing the tender document should be an authorized signatory of the respective bidder's organization and shall carry an authorization letter on company's letter certified by a person not below the rank of a General Manager/CEO/Director/Other Senior level position.
- b. All agents who are participating in the tender on behalf of a manufacturer shall have valid "Authorization letter" in original duly signed by the bidder.

22. RESPONSIBILITY FOR PERFORMANCE OF CONTRACT - The Bidder shall be entirely responsible for the performance of the contract in all respects in accordance with the terms and conditions as specified in the Contract. The Bidder shall not sublet, subcontract, transfer or assign the contract without the written permission of the Purchaser. In case, permission is given by the purchaser, Bidder shall be liable to any loss/damage/quality and timely delivery which the Purchaser may sustain in consequence or arising out of such subletting of the contract.

23. Bidder RESPONSIBILITY

The Bidder should undertake to be responsible for the delivery of the goods in satisfactory condition and without any loss or damage at the final destination and until the same is actually received by the Purchaser at its works or other place of final destination. For this purpose, goods carried by the roadway or other carrier shall be deemed to be carried at the risk of the bidder. If on inspection at final destination the Purchaser discovers any discrepancy or damage, the Purchaser will be entitled (not-with-standing that the property of goods shall have passed on to the company) to refuse acceptance of the goods altogether and claim damages and/or cancel the contract and buy its requirement in the open market at the risk and cost of the bidder, reserving always to itself, the right of forfeiture of any amount found due and payable or the deposit, if any, placed by the bidder for the due fulfillment of the contract as also to recover any amount, if already paid.

24. RESPONSIBILITY FOR PROPER PACKING

- a. Where ever required the bidder shall be responsible for the items being sufficiently and properly packed, for transport by rail/road/sea/air/ or any combination of above, so as to ensure their being free from loss or damage on arrival at the destination.
- b. Marking of Packages, Packing: Each package delivered under the contract shall bear the following:-
- i.** Name of the Bidder
 - ii.** PO Number
 - iii.** Consignee's name and address
 - iv.** Description and quantity of contents
 - v.** Gross weight, Net weight
 - vi.** Distinctive number or mark which is also to be shown, for the purpose of identification, on the bidders packing list

25. DELIVERY

- a. The successful Tenderer has to supply within 15 days after receipt of purchase order.
- b. Timely delivery is the essence of the contract and must be completed as per the dates specified therein.
- c. The Bidder shall deliver items in strict accordance with the delivery terms indicated therein.

- d. Notification of dispatch and delivery in regard to each and every consignment shall be made by the Bidder to the Department of Supply Chain Management in respective states i.e Goa
 - e. Confirmation from EMRI GREEN HEALTH SERVICES needs to be taken before dispatching the material from bidder’s warehouse to destination.
 - f. In case if the L1 defaults or if only one bidder participates in the tender, the decision of tender committee whether to proceed with L2 or to retender is final.
26. PENALTY CLAUSE - Should the Bidder fail to deliver the items or any consignment thereof, within the period prescribed for such delivery, the Purchaser shall be entitled at his/ her option, to the following value of material not delivered. However delayed penalty will not exceed more than 10% of the order value.

Delayed Penalty:

Up to 7 Days from Delivery Due Date	0.25% Per Unit value Per Day
From 8th day to 15th Day	0.50% Per Unit Per value Day
From 16th day to 22nd Day	0.75% Per Unit Per value Day
From 23rd day to 30th Day	1.00% Per Unit Per value Day
Above 30 Days	5.00% Per Unit Per value Day

27. RISK PURCHASE - If the Bidder fails to deliver the items either in full or in part, within the prescribed delivery period, the Purchaser shall be entitled at his option to take alternate procurement action, at the risk & cost of the bidder for the unsupplied portion of the goods / items without canceling the contract in respect of the items not yet due for delivery, or to cancel the contract based on progress of work, including items not due for delivery, and, if thought fit/necessary, to purchase the items at the risk and cost of the Bidder. The price differential in case of higher cost to Purchaser, if any, shall have to be borne by the defaulting bidder. Moreover the defaulting bidder shall have no claim over the quantity, which they failed to supply.
28. Support services : It is expressly understood and agreed by bidder that each Indian state in which EMRI GREEN HEALTH SERVICES is operating the 108 ambulances is an independent unit and under no circumstances post sales onsite support services shall be withdrawn by bidder in any given state due any kind of disputes in other state/s.
29. ETHICS - Any attempt by a Tenderer to obtain confidential information, enter into unlawful agreements with competitors or influence the committee or the Contracting Authority during the process of examining, clarifying, evaluating and comparing tenders shall make the tender submitted by that tenderer liable for rejection/disqualification.
30. QUANTITY OF DELIVERED ITEMS
- a. If the Quantity received by the Target Delivery date is less than the PO Scheduled quantity, then the Physical quantity received will be the quantity certified by the Purchaser.
 - b. If the quantity received is more the PO quantity, the excess quantity shall not be paid for, by the Purchaser. In such a case, it is left to the discretion of the purchaser to adjust the differential quantity of excess, against future supplies. Or return to bidder with financial implication to bidder only.

- c. In case of any supply quantity with upper and lower tolerance of over 10%, EMRI GREEN HEALTH SERVICES will have the right to accept or reject the material immediately.

31. TAXES, DUTIES AND LEVIES

- a. Tenderers must clearly mention their GST number & TIN/ TAN in their offers and invoices.
- b. GST tax percentage shall be clearly mentioned in the offer indicating the applicable rates.
- c. In case if there is a decrease in the Statutory Taxes / Duties / Levies, the same has to be passed to the Purchaser.

32. INDEMNITY

- a. The Bidder shall at all times indemnify the Purchaser against all claims which may be made in respect of the items, for infringement of any right protected by Patent, Registration of design or Trade Mark and shall take all risk of accidents or damage which may occur or failure of the supply from whatever cause arising. The Bidder shall be entirely responsible for the sufficiency of all the means used by them for the fulfillment of the contract.

- b. Bidder agrees to indemnify, defend and hold EMRI GREEN HEALTH SERVICES and its officers, directors, employees, agents, its parent, partially or wholly owned subsidiaries, franchisees, successors and assigns harmless from and against any and all liability, losses, damages, claims, liens, expenses or causes of action including, but not limited to reasonable legal

fees and expenses that may be incurred by EMRI GREEN HEALTH SERVICES, arising directly or indirectly out of, or in connection with, Bidder's violation or breach of any of the terms of this Agreement or any act or omission to act by Bidder in violation of this Agreement. EMRI GREEN HEALTH SERVICES shall provide Bidder with prompt written notice of any claim for which indemnification is sought and shall have the right to participate in the defense of any such claim.

- c. EMRI GREEN HEALTH SERVICES agrees to indemnify, defend and hold Bidder and its officers, directors, employees, agents, its parent, partially or wholly owned subsidiaries, franchisees, successors and assigns harmless from and against any and all liability, losses, damages, claims, liens, expenses or causes of action including, but not limited to reasonable legal

fees and expenses that may be incurred by Bidder, arising directly or indirectly out of, or in connection with, EMRI GREEN HEALTH SERVICES's violation or breach of any of the terms of this Agreement or any act or omission to act by EMRI GREEN HEALTH SERVICES in violation of this Agreement. Bidder shall provide EMRI GREEN HEALTH SERVICES with prompt written notice of any claim for which indemnification is sought and shall have the right to participate in the defense of any such claim.

33. QUALITY ASSURANCE:

- a. Bidder represents and warrants that it shall fully comply with all written quality assurance requirements or instructions of EMRI GREEN HEALTH SERVICES, and as they may be amended from time to time in the sole discretion of EMRI GREEN HEALTH SERVICES. Bidder further represents and warrants that the Product shall be produced, manufactured, stored and shipped by Bidder in strict compliance with all applicable central, state and local laws.

- b. Bidder shall maintain the highest standard of quality in the Product production process. Bidder shall follow and abide by all directions, requests, suggestions or instructions of EMRI GREEN HEALTH SERVICES regarding the quality standards required by EMRI GREEN HEALTH SERVICES in connection with the manner of production, manufacture, Packaging, storage and delivery of the Product.
- c. Bidder agrees to permit EMRI GREEN HEALTH SERVICES or its agent to inspect the facilities where the Product is being produced and packaged at all times, without prior notice, and in EMRI GREEN HEALTH SERVICES 's sole discretion.

34. Warranties and Obligations:

- a. Comprehensive warranty of all medical equipments and others as per ANNEXURE-2 respectively.
- b. Bidder is responsible for the Installation and demo of the equipment at the buyer site.
- c. Bidder irrevocably offers warranty of the product against any manufacturing defects and contamination of material.
- d. Bidder represents and warrants that the methods and processes used to produce the Product does not, to the best of its knowledge and belief, infringe any valid right of any third party.
- e. Bidder represents and warrants that it will use its best efforts to produce and distribute the Product in accordance with the terms and conditions of this Agreement.
- f. Bidder shall be solely responsible for the production and distribution of the Product and will bear all related costs associated therewith, except as otherwise provided in this Agreement.
- g. The bidder must replace, free of charge, any items which owing to defect in design, and material or workmanship fail or show signs of failure in the stipulated warranty period.
- h. Replacing the defective items should be done immediately within 5 working days, irrespective of root cause; subsequently, root causing to be done and warranty rules to be implicated.

35. Compliance of the Laws of the land

- a. Bidder shall comply with all state and local laws and regulations regarding the Product manufacture and production, shall obtain all necessary licensing for the operation of its business and the production and manufacture of the Product, and shall further comply with all quality control standards promulgated by EMRI GREEN HEALTH SERVICES from time to time.

36. Documentation requirements:

- a. Invoice in original along with one additional copy, both duly signed and stamped by Bidder.
- b. Original Packing list.
- c. A copy of Purchase order raised by EMRI GREEN HEALTH SERVICES.

37. Product Withdrawal

- a. If it is deemed necessary at any time by either EMRI GREEN HEALTH SERVICES or Bidder or any local, state, or central governmental agency or other authority to recall or withdraw the

Product produced by Bidder and being supplied to EMRI GREEN HEALTH SERVICES, either as a result of failure of the Product or Bidder to strictly comply with EMRI GREEN HEALTH SERVICES 's quality standards or any governmental health rule or regulation, or shall fail to comply with any other governmental authority or agency having jurisdiction, bidder shall bear all costs and expenses incurred by it

and/or in complying with the recall or withdrawal procedures, unless (and only then to the extent) such recall or withdrawal is solely the result of the negligence or misuse by EMRI GREEN HEALTH SERVICES .

- b. If Bidder fails or refuses to promptly comply with the recall or withdrawal of the product upon request by the EMRI GREEN HEALTH SERVICES or any federal, state or local authority, EMRI GREEN HEALTH SERVICES shall take such action as it deems necessary to recall or withdraw the product from field (Ambulances in the field) and Bidder shall immediately reimburse for the costs and expenses incurred.

38. Product Allocation and Stocking

- a. In the event there is an emergency shortage of the product, as announced by Bidder or its designated representative, Bidder shall stand ready to stock adequate quantities of the Product and its spares so that scheduled supplies to EMRI GREEN HEALTH SERVICES should not suffer for the full contract period. In an event of Bidder failing to supply the material and spares in ordered quantities and as per time schedules, EMRI GREEN HEALTH SERVICES reserves the right to procure the product of same or superior quality at same or higher price from an alternate supply source and any difference in cost of procurement shall be debited to Bidder.

39. Trademarks

- a. Bidder shall not, without prior written consent of EMRI GREEN HEALTH SERVICES use the trademarks or service marks or sales marks of EMRI GREEN HEALTH SERVICES in any manner whatsoever, unless, and then only to the extent, such use is authorized by EMRI GREEN HEALTH SERVICES in writing and then only in accordance with EMRI GREEN HEALTH SERVICES 's directions or specifications.

40. Intellectual Property, Proprietary Knowledge and Confidential Information (Excluding the information in the Public Domain)

- a. Bidder acknowledges that in connection with this Agreement, EMRI GREEN HEALTH SERVICES may disclose to Bidder, or Bidder may otherwise obtain or develop knowledge of certain confidential and proprietary information of EMRI GREEN HEALTH SERVICES , including, but not limited to, trade secrets, intellectual property, future business plans and services, financial, sales,
- b. Bidder, customer, employee, investor, or other business information related to the business and activities of EMRI GREEN HEALTH SERVICES .
- c. All such information is hereby designated by EMRI GREEN HEALTH SERVICES to be Confidential and

Proprietary Information. Bidder acknowledges and agrees that Confidential and Proprietary Information shall not be disclosed by Bidder or any of Bidder's employees, representatives, agents or contractor's without the express written permission of EMRI GREEN HEALTH SERVICES . Notwithstanding the foregoing, Bidder, during the term of this Agreement, and in order to carry out its obligations under this Agreement may

disclose Confidential and Proprietary Information to its EMPLOYEES solely for the purpose of performing its obligations under this Agreement, and only on a "need to know" basis. Bidder agrees that all of its employees receiving any Confidential and Proprietary Information shall enter into a separate written confidentiality agreement with Bidder that ensures the employee will comply with the confidentiality provisions of this Agreement. A copy of each such confidentiality agreement shall be provided to EMRI GREEN HEALTH SERVICES .

- d. All Confidential and Proprietary Information shall remain confidential until EMRI GREEN HEALTH SERVICES designates it as non-confidential or until the information becomes public through no fault of the Bidder.
- e. Bidder shall not be liable for the disclosure of Confidential and Proprietary Information if made in response to a valid order of a court or authorized agency of government; provided that fifteen (15) days notice first be given to the EMRI GREEN HEALTH SERVICES so a protective order, if appropriate, may be sought by EMRI GREEN HEALTH SERVICES .
- f. Bidder agrees that in the event Bidder or any of its employees, contractors, representatives, or agents breach the provisions of this Article, such breach or threatened breach would cause irreparable harm to EMRI GREEN HEALTH SERVICES , and in such instance, EMRI GREEN HEALTH SERVICES shall be entitled to injunctive and other equitable relief to prevent such breach or to remedy any actual breach.

41. Termination

- a. EMRI GREEN HEALTH SERVICES 's Right to Terminate for Cause.
 - i. EMRI GREEN HEALTH SERVICES shall have the right to immediately terminate this Agreement by giving a written notice to Bidder in the event that Bidder does any of the following:
 - 1. Fails to produce and supply the Product as per target delivery date.
 - 2. Files a petition in bankruptcy or is adjudicated bankrupt or insolvent, or makes an assignment for the benefit of creditors or an arrangement pursuant to any bankruptcy law, or Bidder discontinues its business
 - a. or
 - b. a receiver is appointed for Bidder or for Bidder's business and such receiver is not discharged within thirty (30) days
 - c. Fails to obtain or maintain product liability insurance in the amount and type provided for herein
 - d. Breaches any provision of this Agreement, and fails to cure such breach within seven (7) days after it receives a written notice of breach from EMRI GREEN HEALTH SERVICES .
 - ii. EMRI GREEN HEALTH SERVICES 'S Right to Terminate without Cause.
 - a. EMRI GREEN HEALTH SERVICES shall have the right to terminate this Agreement upon thirty (30) days written notice to Bidder.
- b. Bidder's Right to Terminate.

Bidder shall have the right to terminate this Agreement at any time after the first 6 months of the Term on Sixty (60) days prior written notice to EMRI GREEN HEALTH SERVICES .

42. Infringements

- a. Bidder agrees to fully cooperate with EMRI GREEN HEALTH SERVICES in the prosecution of any such suit against a third party and shall execute all papers, testify on all matters, and otherwise cooperate in every way necessary and desirable for the prosecution of any such lawsuit. The EMRI GREEN HEALTH SERVICES shall reimburse the BIDDER for any reasonable expenses incurred as a result of such cooperation.

43. Governing Law; Dispute Resolution

- a. This Agreement shall be governed by, and construed in accordance with, the laws of the India; without regard to conflict of law principles, and under jurisdiction of respective State high courts and language shall be English.

44. Notice

- a. Any notice required to be given pursuant to this Agreement shall be in writing and delivered personally or by a nationally recognized overnight courier service, or mailed by certified or registered mail, return receipt requested, to the other party at its address as set forth at the top of this Agreement.
- b. All such notices shall be effective upon delivery or upon refusal to accept delivery.
- c. Either party may change the address to which notice is to be sent by written notice to the other in accordance with the provisions of this paragraph.

45. Miscellaneous

- a. The parties to this Agreement are independent contractors. Nothing contained herein shall constitute this arrangement to be employment, a joint venture, a partnership, a franchise or an agency between the parties. Neither party has the authority to bind the other or to incur any obligation on its behalf.
- b. No waiver by either party of any default shall be deemed as a waiver of prior or subsequent default of the same or other provisions of this Agreement.
- c. If any term, clause or provision hereof is held invalid or unenforceable by a court of competent jurisdiction, such invalidity or unenforceability shall not affect the validity or operation of any other term, clause or provision, and such invalid or unenforceable term, clause or provision shall be deemed to be severed from the Agreement.
- d. This Agreement constitutes the entire understanding of the parties, and revokes and supersedes all prior agreements between the parties, and is intended as a final expression of their agreement. It shall not be modified or amended except in writing signed by the parties hereto and specifically referring to this Agreement.
- e. Bidders or employees of bidder cannot claim or construed as employees of EMRI GREEN HEALTH SERVICES .

46. Force Majeure

- a. If either the Bidder or EMRI GREEN HEALTH SERVICES be prevented from discharging its or their obligation under this Agreement by reason of arrests or restraints by Government or people, war, blockade, revolution, insurrection, mobilization, strikes, civil commotions, Acts of God, Plague or other epidemics, destruction of the product by fire or flood or other natural calamity interfering with the production, loading or discharge, the time for delivery shall be extended by the time or times not exceeding two months, during which production, loading or discharge is prevented by any such causes as hereinabove mentioned. The party invoking protection under this clause shall within 2 (two) days of the occurrence of force majeure causes put the other party on notice supported by self certificate and documentary evidence of such incident and shall likewise intimate the cessation of such causes. The delivery shall be resumed by the Party/Parties within 15 (fifteen) days from the cessation of the force majeure causes.
- b. Should there be any interruptions in the delivery of the product due to force majeure circumstances hereinabove, it is hereby mutually agreed between EMRI GREEN HEALTH SERVICES and the Bidder that the period of off take of the Product by EMRI GREEN HEALTH SERVICES /period of delivery of the Product by the Bidder may be, at the sole discretion of EMRI GREEN HEALTH SERVICES , extended by a period not exceeding two months, equal to the actual duration of the causes interrupting the off take by the EMRI GREEN HEALTH SERVICES and/or

delivery of the product by the Bidder PLUS a period of one week to enable the affected party to make suitable arrangements for normalization of shipments.

47. Liability of EMRI GREEN HEALTH SERVICES

- a. It is expressly understood and agreed by, between the BIDDER and the EMRI GREEN HEALTH SERVICES that the EMRI GREEN HEALTH SERVICES is entering into this Agreement solely as a PPP (Public Private Partnership) partner of respective State Government. In particular, it is expressly understood and agreed that, any delay in the release of bidder payments, for the supplies made under this tender, solely depend on timely receipt of funds for the same from the respective state governments. The BIDDER expressly agrees, acknowledges and understands that the EMRI GREEN HEALTH SERVICES is not DIRECTLY responsible for any delays in the release of funds from respective state governments for what so ever reason it may be and shall not hold EMRI GREEN HEALTH SERVICES responsible for delayed payments and EMRI GREEN HEALTH SERVICES shall not be liable for any acts, omissions, commissions, breaches or other wrongs arising out of the contract. Accordingly, the BIDDER hereby, expressly waives releases and foregoes any and all actions or claims, including cross claims, impleader claims or counter claims against the EMRI GREEN HEALTH SERVICES arising out of this Agreement and not to sue EMRI GREEN HEALTH SERVICES for any reason, as to any manner, claim, cause of action or thing whatsoever arising of or under this Agreement.

48. Dispute Redressal Committee:

- a. All disputes can be addressed by amicable settlement by committee constituted by Chairman of Purchase Committee , Goa .

49. Declaration by the Tenderer

- a. The Tenderer shall be required to declare whether the proprietor or any partner of the firm or Director of their company as the case may be, has any relation with any employee working with the Purchaser and if so, give the name of the employee and the relationship

50. Waiver

- a. Failure to operate or to enforce any condition under this Contract shall not operate as a waiver of the condition itself or any subsequent breach thereof.

51. Payment Terms

- a. 100% payment will be made within 20-25 days of delivery, inspection, acceptance and submission of invoice.
- b. The bidder should submit the bills/invoices with delivery challan and order copy with satisfactory inspection report of the designated Technical Committee after Delivery duly signed and accepted should be submitted in original. Three copies of each document should be made and one copy handed over to the authority at delivery site.

52. FALL CLAUSE

- a. The prices quoted for the material supplied under this tender by the Bidder shall in no event exceed the lowest price at which the Bidder sells or offers to sell similar material in similar volume of identical description to any person(s)/organization(s) including the Purchaser or any other EMRI GREEN HEALTH SERVICES office located at any other place in India. If at any time during the said period, the bidder reduces the sale price, sells or offers to sell such stores to any person(s)/organization(s) including the Purchaser or any Statutory Undertaking of the Central or a State Government, as the case may be, at a price lower than the price chargeable under this contract, he shall forthwith notify such reduction or sale or

ANNEXURE-I**List of Medical Equipment's & others**

Sr.no.	Description of materials	Qty
1	Defibrillator with data transmission	1
2	Ventilator	1
3	Syringe / Infusion pump	1
4	Otoscope	1
5	Ophthalmoscope	1
6	Laryngoscope with set of 3 Blades (Adult)	1
7	Laryngoscope with set of 3 Blades (Paediatric)	1
8	Weighing Machine (Spring type)	1
9	Trauma Care and Emergency recovery trolley	1
10	ICU Bed with suitable mattress	1
11	Crash Cart	1
12	Examination Light Source	1
13	Bed side stool	1
14	Bed side screener with cloth	1
15	Instrument / Dressing trolley	1
16	Dressing Drum Stainless steel (Preferable size -15x12")	1
17	B-Type Oxygen Cylinder	1
18	Spine board with head blocks	1
19	Wheel chair	1
20	Auto collapsible stretcher	1
21	Scoop Stretcher	1
22	Fire Extinguisher	1

Note :

- a) The above said quantity may increased/decreased as per future requirement
- b) mentioned picture in the specification of product is for understanding the requirement & not as exact requirement
- c) Warranty of the product should be minimum of 1 year as per list of material & can be declared in technical format

ANNEXURE-II **Specifications of Medical Equipment's & others**

1) Defibrillator with data transmission :

- 1) European CE or US FDA approved for use on pre-hospital care ambulance
- 2) Wall mount and pole mount option
- 3) Should be less than 10Kgs with battery
- 4) Operational temperature range from 0-50 degree C
- 5) Should measure adult, pediatric and neonatal parameters
- 6) Battery
 - a. Rechargeable lithium ion battery
 - b. Should be able to last for minimum of 3 hours of continuous monitoring
 - c. Should give replacement guarantee for the battery for 1 years
 - d. Damages/penalties out of battery related accidents in the form of explosion/fire should be borne by the bidder/manufacturer.
 - e. Chargeable with 220V AC 50Hz and DC 12 V as well
- 7) At least 48 hours of trend memory
- 8) Alarms
 - a. Audio as well as visual
 - b. Adjustable and default
 - c. Should be for low and high heart and respiratory rates
 - d. For low saturation (Dynamic sound variation
 - e. Low and high blood pressures
 - f. Low battery alarms
 - g. Arrhythmia alarms

9) Display

- a. Multicolor display
- b. Minimum 7 inch and maximum 12.5 inch
- c. Minimum 640X480 resolution
- d. Touch screen desirable but not mandatory
- e. Wide viewing angle

10) Data

- b. LAN/Wireless (not infrared) port for networking
- c. Should be able to connect with Telemetry transceiver
- d. Desirable that it follows HL7 standards for data transfer

11) ECG

- a. Printer
 - i. Higher than 48 to 55 mm paper will be considered
 - ii. 25 mm/sec
- b. Should be able to trace/ record and transmit all 12 leads
- c. Number of leads
 - i. 12 lead ECG cable for ALS with telemetry capability/IFT regular ambulance
 - ii. Not mandatory for neonatal ambulance
 - iii. 3 lead ECG cable for BLS regular and ALS regular ambulance without telemetry.
- d. Heart rate ranges 30-300 bpm. This is the minimum range, a range wider than this is also acceptable
- e. Variation in accuracy within +/- 1%

f. ST segment elevation detection is desirable

g. Arrhythmia detection is mandatory

12) Respiration

- i. Range 0-120 rpm. This is the minimum range, a range wider than this is also acceptable
- ii. Resolution +/- 1rp

13) NIBP

- i. a. Oscillometer method
- ii. b. Manual automatic and stat modes should be available
- iii. c. Range 10-260 mm Hg; Measurement should be mmHg

14) Temperature

- a. C & F selectable
- b. 25 to 45 degree C

15) SpO2

- i. a. Range 0-100%
- ii. b. Masimo or Nelcor or proved equivalent

16) Defibrillation

- a. Should work on Manual and Automated external defibrillation (AED) mode.
- b. Defibrillate through pads and paddles.
- c. Must be capable of doing synchronized cardio version.
- d. Integrated Adult and child paddles
- e. Pictorial/Text Identification of paddle position printed on the paddles
- f. Paddles contact indicator
- g. Biphasic (BTEW or Rectilinear wave form or pulsed wave)
- h. Energy 0- 200 J European CE certificate , Maximum energy set of 200J is acceptable with manual mode 0-360 J may also be accepted provided it is FDA USA certified

1. Charging time of less than or equal to 10 seconds for maximum energy

2. Should compensate for body impedance for a range of 25 to 1500hms

3. Fixed energy delivery in AED mode

4. AED mode- Semiautomatic.

Auto-Print facility from the moment it is charged and continues after the shock is delivered. Time of charging, time of shock delivery and the energy delivered should be printed. Should have a built in 50mm strip printer.

- a. ETCO2 up gradation (side stream and main stream) capability is mandatory
 - i. Should agree to upgrade if asked for at any time in the coming 5 years
 - ii. Cost of upgrading any time in the next 5 years to be disclosed and agreed to now.
 - iii. The cost for ETCO2 sensor should also be a part of upgrade
- b. Accessories to be supplied along with the Monitor
 - i. ECG cable
 - ii. SPO2 adult pediatric and Neonatal sensors
 - iii. NIBP cuffs – adult pediatric neonatal cuffs
 - iv. Temperature probe
 - v. Electrodes
 - vi. Power cables
 - vii. Wall mounting solution that is compatible with the ambulance interior as optional
 - viii. Defibrillation pads supply/stock criteria and specifications are as mentioned under AED specifications
- c. Replacement guarantee for Monitor and accessories - 1 years - Replacement in case of faulty equipment during warranty period
- d. Replacement Guarantee for Cable/probes- 1 years - Replacement in case of faulty equipment during warranty period

2) Ventilator-Transport- ALS

1. FDA or CE approved or both
2. Wall mountable
3. Weight < 6kg including battery and if any accessories not including mounting latches not attached to the ventilator body
4. Adult/ Child (<5 Kg)
5. Modes: ACV, CMV, CPAP; Other modes optional
ACV : known as continuous mandatory ventilation (CMV). Each breath is either an assist or control breath, but they are all of the same volume.
6. Invasive and Noninvasive mode
7. Should run on oxygen cylinder without need of power source
8. If any battery requirements for display or alarms should be rechargeable
9. FiO2:- options
 - a. 100% O2 option must
 - b. Air mix option must
 - c. 21% Oxygen optional
10. Breath rate and tidal volume or minute volume adjustment using buttons for either
 - a. Tidal volume and breath rate or
 - b. Minute volume and breath rate or
 - c. Inspiratory time, Expiratory time and flow rate or I:E ratio and flow rate
 - d. Should have minimal buttons and user friendly
11. Alarms
 - a. Apnea alarm
 - b. High pressure alarm
 - c. Disconnect alarm
12. Pressure gauge
13. The offered product is to be covered under warranty of a minimum of 1 (one) calendar years effective the date of delivery and acceptance of materials at EMRI GREEN HEALTH SERVICES

3) Syringe Infusion Pump :

- a) FDA or European CE Certified
- b) Wall & pole mount option
- c) Must work on commonly available 10, 20, 50/60 ml Syringes with accuracy of minimum of +/- 2%
- d) Automatic detection of syringe size & proper fixing
- e) Flow rate programmable from 0.1 to 200 ml/hr or more in steps of 0.1 ml/hr with user selectable flow set rate option
- f) Should work on AC (220-240V) and DC (12V) as well
- g) Should have rechargeable battery (Li) with backup of minimum 3 hours

4) Otoscope : Reputed & standard make

5) Ophthalmoscope : : Reputed & standard make

6) laryngoscope adult :

- b) Flexible tip blade
- c) different blade sizes
- d) battery support
- e) LED lamp

7) laryngoscope child :

- a) Flexible tip blade
- b) different blade sizes
- c) battery support
- d) LED lamp

8) Weighing machine : Digital type , : Reputed & standard make

9) Trauma Care and Emergency Recovery Trolley :

- i. Two section top
- ii. Height adjusted by crank mechanism
- iii. Trendelenburg & reverse Trendelenburg positions on crank mechanism
- iv. X-ray permeable back raise on ratchet , removable stretcher
- v. Buffer corner on all four sides
- vi. Oxygen cylinder holder
- vii. S.telescopic I.V.rod and swing -away side railings
- viii. Pre treated & powder coated finish

10) ICU beds with suitable mattress:

- i. Pre treated and powder coated finish
- ii. Removable European designed ABS Plastic head and foot end panels
- iii. Size: 2150mm L * 900mm W * 625mm (min.) to 875mm (max.) H
- iv. Operations on manual crank: Back Raise, Knee raise, Height adjustment and Trendelenburg/Reverse Trendelenburg
- v. Non-Rusting 125mm diameter Castors (2 with brake; 2 w/o brake)
- vi. Deluxe collapsible railings -2 sets
- vii. IV pole, Urine bag hooks provided
- viii. Buffer corners on all four sides
- ix. Mattress suitable to said bed size for medical usage aprx. 4" thickness

11) Crash Cart :

- i. Pre-Treated and Powder Coated Finish
- ii. Six removable bins, Modular storage units, three drawers each, Top drawers have containers of different sizes, Oxygen cylinder holder, Stainless steel IV rod
- iii. Size: 1000mm L * 510mm W * 1540mm H Mounted on 125mm dia. Castors 2 with brake

12) Examination Light Source :

- i. Excellent cold light option with daylight quality light
- ii. Adjustable brightness with indicator
- iii. Adjustable height ,
- iv. Wheels for easy movement
- v. Flexible and stable balance – can be adjusted as per various angle requirement
- vi. Portable & easy to transport
- vii. Min. intensity : 40000lux +/- 10%

13) Bed side stool :

- i. Made of mild Steel Tubes with CRC top
- ii. 4 Rubber Shoes
- iii. Pretreated and Powder coated finish

14) Bed side screener :

- i. Three fold : 20” + 40” + 20” with cloths(Preferable color blue / green)
- ii. wheel on bottom for easv movement
- iii. Pretreated and Powder coated finish

15) Instrument / Dressing trolley :

- i. SS top & bottom shelves with protective railing
- ii. Trolley mounted with wheels
- iii. Min. size capacity of 900mm L X 600mm W X 800mm H

16) Dressing Drum Stainless steel : Preferable size -15x12”

17) B-Type Oxygen Cylinder :

- a. Shell: Chrome Molybdenum Alloy 34 Cr OR Manganese steel
- b. Capacity: 10 Lt Water capacity
- c. Working pressure (Minimum): 150kg/cm² at 15o c
- d. Test Pressure (minimum): 250kg/cm² at 15o c
- e. Wall thickness (minimum): 4.2 mm minimum
- f. Gas (O₂): 1500 Lt of O₂
- g. Standard: IS 7285 Part 1
- h. Valve: IS 3224
- i. Statutory certifications: ISI Standards, BMP Certification, WHO & Certified by Dept Explosives -GOI

- j. Matching Key cum Spanner to release oxygen
 - i. Hoses used from cylinder to the regulator if at all any: Should withstand a pressure of not less than 160 Kg/cm² or 2250 psi

18) Spine board with head blocks :

- i. Spine board with straps and head blocks (Rigid Block)
- ii. High Density Poly ethylene - Single piece
- iii. Rigid, Light & Floatable
- iv. Resistant to bumps and corrosion
- v. Non absorbent, immune to infiltrations
- vi. Easy to clean- water & soap should be enough.
- vii. X ray & MRI compatible
- viii. Net weight: Not more than 9 Kgs
- ix. Load Capacity maximum not less than 159 Kgs • L*W*H :(180-195) * (40-45) * (3-6)

19) Wheel chair with 4 wheels :

- i. Should be light, safe and reliable
- ii. Made of aluminium alloy
- iii. With 4 wheels
- iv. Folded size: 93*51*16
- v. Back Height: 91 cms Width: 50cms
- vi. Seat height: 49 cms Width : 50 cms
- vii. Wheel to Wheel outer length : 17.5”
- viii. Net weight: 8 Kgs
- ix. Pull through, telescoping long handles built in to lift patients & carry them through narrow passages.
- x. Two handles on the top to facilitate the lifting of patients , working in harmony with telescoping handles
- xi. Loading Weight : up to 159 Kgs

20) Auto Collapsible stretcher :

- i. Made of aluminum alloy
- ii. Collapsible. Wheeled to slide into the ambulance with ease without damaging the ambulance floor
- iii. One person should be able to raise and lower it into an ambulance easily
- iv. Provision for head end elevation. Position adjustable backrest for breathless patients from 0 to at least 60 degrees
- v. The raising the backrest is either by telescopic mechanism or any safe mechanism but should not come apart while the head end is raised.
- vi. Swing down or push down side Railings on either side. Strong enough to prevent patient falls
- vii. IV fluid holding rod to go with the Stretcher
- viii. Levers to control front and hind legs to fold while loading the stretcher in to the ambulance
- ix. Lever to lock & unlock the legs to prevent collapse of the stretcher while standing. The wheels should have 120 mm to 150 mm diameter with ball bearings to ensure smooth rolling and ensure maximum comfort to the patient.
- x. Locks for the wheels
- xi. Straps 3 in number to restrain the patient
- xii. Fixing devices to secure the stretcher in place on the ambulance floor/platform not allowing side to side or vertical movements while on run. Centre lock as per GVK EMRI's requirement is required.
- xiii. 50 mm thick high density foam mattress with Head rest -up holstered with water proof and fire proof rexin
- xiv. Net weight : 40 Kgs Gross Weight 50kgs
- xv. Bearing Pressure or maximum load not less than 159Kgs.
- xvi. Product dimensions: a. length Minimum not more than 185 to a maximum 200cms; b. width minimum not more than 50 to a maximum 60 cm; height 85 to 95cms
- xvii. Loading height should match the ambulance floor height.
- xviii. Stretcher should have front and back small sliding wheels.

21) Scoop Stretcher :

- i. Should be made of aluminum alloy
- ii. Made of or covered by thermal resistant composite materials when being procured for colder climates
- iii. Clutch enabled detachable interlocking between right and left halves. Clutch design – center or lateralized.
- iv. Adjustable length
- v. Minimum two pairs of quick release belts
- vi. Net weight not more than 9 Kg
- vii. Minimum length not more than 170 cm
- viii. Maximum length not less than 200 cm
- ix. Width 40- 45 cm
- x. Weight bearing up to 159 Kg

22) FIRE EXTINGUISHER - 6 KGS WITH FIXING STAND:

1. Stored Pressure Type
2. 6 Kg capacity
3. Dry Chemical Powder ABC Based
4. Shall be able to withstand the rugged condition of the emergency usages
5. Shall be durable , even after repeated use
